Dear Parents and Families,

Choosing the school that best suits a Prep child becomes a significant challenge for any parent. If you're considering a Catholic education for your child, St Francis Xavier Primary School is definitely worthy of your consideration.

Nestled in the picturesque foothills of Montmorency, St Francis Xavier School provides a safe and secure environment within a close and caring community.

Enlivened by the Gospel Values and by our warm and loving staff, our school strives to be a vibrant, welcoming and inclusive school community. We provide a rigorous and well balanced curriculum which caters for academic, social and spiritual need of our children.

Our Performing Arts, Physical Education, Chinese (Mandarin), eLearning and Library specialist areas further enhance the learning opportunities of our children. Our students are invited and encouraged to contribute to the life of the school and achieve this as members of our Student Representative Council, School Leaders, Sports Leaders, Classroom Leaders, Prep to year Six Cross–Age Buddies and by participating in classroom meetings.

As an inclusive community, we work in partnership with the parish of St Francis Xavier, Fr Terry Kean our Parish Priest and with our sister school, Holy Trinity Eltham North.

We welcome and cherish the involvement of parents as evidenced by our teams of dedicated parents who support us through our Parents Association, School Advisory, Council, Works and Maintenance Committee, Uniform Shop, Tuckshop, Parish Fete Committee, Parish Pastoral Council and Parish Finance Committee. Parents also volunteer as parent helpers in classroom literacy and numeracy lessons, excursions and school events.

Parents who are interested in learning more about St Francis Xavier School are welcome to drop in for a chat or a tour.

Thank you for taking the time to consider this invitation.

Yours sincerely,

Mark Workman
