SFX SCHOOL LUNCH ORDERS ARE BACK!

Hi everyone! My name is Madelene Martin and I am a fellow SFX parent! My daughter Alyssa graduated in 2019 and my son Massimo is currently in year 5.

I'm so happy to announce that my business, My Mum & I, has been engaged by SFX to operate the school canteen for 2021. To give you a bit of background about us, as the business name implies, my mum is my business partner. Our family has been in the food service industry for over 20 years, operating cafes at a number of locations over the years. We currently run the canteen at Catholic Ladies College in Eltham (CLC) which runs 5 days a week like a café. This is our third year at CLC and we are loving it. As well as CLC, we also provide a lunch order service to Montmorency South Primary School, Sherbourne Primary School and Lower Plenty Primary School. I have a fantastic team of super star mums who look after the primary school contracts, enabling me to be based at CLC.

In light of the "COVID normal" we currently live in, we've unfortunately had to make some little changes to the SFX canteen operations. These changes include no over the counter sales at recess and lunchtime and no parent helpers – for now anyway. This process has been put in place to minimise any external risk to staff and students. Our plan is to certainly bring all of this back as soon as restrictions allow.

Lunch orders will be available each Wednesday and Friday (excluding public holidays, school holidays and student free days) and will commence from **Wednesday 10th February 2021**.

Lunch orders can be placed one of two ways –

1. Manually i.e. lunch order bag with your child's name, class and order written on the front and cash placed inside (each class has an allocated lunch order tub). I know this next part sounds crazy but it happens – only Australian currency will be accepted!

or

2. Online via my website www.mymumandi.com.au
All online orders must be completed and paid for by 9am on the day of the lunch order.
Any orders placed after 9am will automatically default to the next lunch order date.

The steps to order online are below:

- From the Home Screen, select **Order Now**
- Select **St Francis Xavier** from the drop down list of schools and then the **date** of the lunch order (you will only be able to select Wednesday or Friday dates).
- Enter your child's details into the order. Please ensure you include your contact number. We ask for your number in case there is ever any query on your child's order. This enables me to contact you directly. Your number is not shared. It is kept private and not used for any marketing purposes.

my mum and i

- Use the drop down boxes to select the items for your child's order. Remember to click **Add to Basket** at the end. When you've finished, click **Checkout**.
- Online orders are paid via your PayPal account.

And that's it! Too easy!

For your reference, I have attached a copy of our price list which also details our menu. A copy of the price list is also available on the SFX website as well as my website. Our menu has a selection of healthy options as well as the "sometimes foods" our kids love. All of the snacks are home-made and we have sourced a fantastic selection of wholesome bakery foods from Routley's Bakery, a family owned business since 1947. These are all listed on the attached list.

Fellow school mums Julia Mullins and Kimberley Nailer will be based in the SFX canteen and from time to time so will I. You'll definitely see me around.

If you ever have any questions, please do not hesitate to contact me via my website. My contact number is also available on the website.

We are so excited to bring lunch orders back to SFX. I know I missed them last year and I'm sure many of you did too.

Kind regards,

Madelene
