

St Francis Xavier Primary School Homework Policy

Rationale

Homework is an important part of a child's learning and needs to be meaningful and valued by all parties (i.e. students, teachers & parents. It is designed to reinforce the valuable skills that students are learning in class.) Homework provides another opportunity for students to show personal responsibility for their organisational, learning and study skills. It also offers parents with opportunities to talk about their child's learning.

A balanced life for our students may involve participation in extra-curricular activities, activities with families and homework.

Purpose:

At St Francis Xavier Primary School, we aim to ensure that students will:

- demonstrate an awareness of their personal qualities and the factors that contribute to bouncing back after a setback;
- develop empathy for and understanding of others;
- understand how relationships are developed;
- use interpersonal skills to establish and maintain relationships;
- recognise, understand and gauge the expression of emotions;
- work effectively in teams;
- develop strategies to manage challenging situations effectively;
- demonstrate an awareness of and respect for cultural diversity within the community;
- reflect on how our experiences influence attitudes, values and beliefs;
- develop logical, strategic, flexible and creative thinking;
- analyse and evaluate ethical issues with a Catholic lens;
- develop their open-mindedness and reasonableness.

Please note: Where a student is part of the Intervention Program in Mathematics or English, take home tasks take precedent over classroom tasks set in these curriculum areas.

Expectations Of The Student

At St Francis Xavier Primary School, students need to:

- be aware of the importance of homework in their learning journey
- complete set homework to the best of their ability and to a high standard
- In Years 3-6 recognise the importance of diaries as a way of tracking homework and other events in order to balance activities through the school week
- communicate with the teacher before the due date if they are encountering any difficulties with the homework task

It is an expectation that all children complete set homework to the best of their ability. If homework is not completed and there is no parental communication with the school, this will be followed up by the classroom teacher. As a general rule:

1. A warning will be given the first time homework is not completed without communication from parent/guardian.
2. A student will need to complete their homework during recess and/or lunchtime.
3. If a student continually does not complete homework and there is no communication from parent/guardian, the student's parents/guardian will be contacted and a meeting will be held to establish a Homework Learning plan for going forward.

Expectations Of The School/Teacher

Teachers will be responsible for setting homework tasks for the class.

Expectations Of The Home/Parent

At St Francis Xavier Primary School, we encourage all parents to participate in their children's learning by working in partnership with us on homework tasks.

Parents are encouraged to:

- Provide a suitable quiet place, without distractions, for their child to work e.g. away from TV & providing basic materials such as pen, paper, dictionary, etc.
- Establish and maintain routines by finding a regular time to complete homework each week
- Check and monitor children's understanding of homework.
- Remind children to return homework by **due date** and sign if required.
- **In Years Prep to Two:** Reading entries are to be recorded in a Reading Log Book and signed off by a parent/guardian.
- **In Years Three to Six:** Reading entries are to be recorded in the school diary and signed off by a parent/guardian.
- Ensure homework is completed to the best of the child's ability.
- Show an interest in your child's learning by talking about school and activities they have completed.
- Continue to praise your child's efforts.
- Model completing tasks like reading, writing, as children learn by positive role modelling.
- If there is a legitimate reason for homework not being completed, a short explanation in an email, note or the school diary is requested.
- When a child is regularly experiencing difficulty with their work please contact the classroom teacher so that tasks can be modified accordingly.

Holiday Homework

St Francis Xavier Primary School does not provide homework during the Term Breaks, nor will homework be provided for students who go away on Family Holidays during the school term.

Evaluation:

This policy will be by staff revisited yearly.
